Does your child receive services for Speech, Physical Therapy, Occupational Therapy, or other? If so, please explain.

Has your child had experience in a group of children their age?

Children enrolling in the 3 or 4-year-old classes must be toilet trained. Children enrolled in the 2-year-old class may attend in diapers or pull-ups. Toilet training will be worked on at Play School.

Play School offers an inclusive, anti-bias, multicultural, welcoming environment open to all children who are 2, 3, and 4 years old. Sufficient registration is needed to hold class.

Every child's needs are different and we realize that our program may not be suitable for all children.
